2020 Arlandria Eggstravaganza Cancelled

The organizing committee for the annual Arlandria Eggstravaganza has decided to not go forward with this year's event.

We are saddened to share this news with you. But after gathering input from various stakeholders, we know this is the best and safest course of action for all involved.

We are thankful for the many people who have spent countless hours this year working to provide you with one of the most EGGciting spring events in the Alexandria/Arlington area.

We are also grateful for all the sponsors, vendors, and partners who show up every year to help pull off this amazing event.

We will continue to work hard to bring you a bigger, better and more creative edition of the Arlandria Eggstravaganza next year on Saturday, March 27 2021.

Arlandria Eggstravaganza is a project of Restore Alexandria in partnership with Casa Chirilagua, Community Lodgings, The City of Alexandria, First Baptist Church of Alexandria, Restoration City Church, National Community Church and a variety of other community partners.
